12.8V 12Ah Energy Storage Lithium Battery Pack

Welcome to buy 12.8V 12Ah energy storage lithium battery pack from us. Every request from customers is being replied within 24 hours.

12.8V 12Ah energy storage lithium battery pack

Olaite is 12.8V 12Ah Energy Storage Lithium Battery Pack manufacturers and suppliers in China who can wholesale 12.8V 12Ah Energy Storage Lithium Battery Pack. We can provide professional service and better price for you. If you interested in 12.8V 12Ah Energy Storage Lithium Battery Pack products, please contact with us. We follow the quality of rest assured that the price of conscience, dedicated service.

The lithium energy storage battery use long working life LiFePO4 battery, and high performance BMS to protect and manage the battery system, it has wider usage and longer life than traditional battery.

12.8V 12Ah energy storage lithium battery pack Introduction

Model Number:	OBT-1212	Place of Origin:	Zhejiang, China
Brand Name:	Olaite	Battery Type:	LiFePO4
Capacity:	0.1536kwh	Standard Voltage:	12.8V
Suggested DOD:	80%	Cycle:	>2500 times
Cell:	new A+ cell	Product Size(cm):	15.1*9.9*9.4cm
OEM/ODM:	Acceptable	Battery Size:	18650

12.8V 12Ah energy storage lithium battery pack Parameter (Specification)

Model	OBT-12AH 12.8V(12V)
Capacity	0.1536KWH
Normal Discharge Current	6A
Max Discharge Current	12A

Wenzhou Olaite New Energy Co., Ltd.

Address:Yueqing Economic Development Zone, Zhejiang Province

Tel:+86-15167879755

E-mail:olaite@cnolaite.com

Working Voltage	10-14.6V
Standard Voltage	12.8V
Max Charging Current	6A
Max Charging Voltage	14.6V
Circle Times	>2500 times
Size(mm)	151*99*94mm
Weight	1.5KG
Humidity	20-60%
Working Temperature	-20°C-60°C
IP Rating	IP65
Warranty	5Years
Battery Protection	Over-current/overvoltage/shortcircuit/lowvoltage/high temperature
BMS	Yes

12.8V 12Ah energy storage lithium battery pack Feature

- ※High power ,friendly interface ,free combination
- ※High qualitybattery cell,precise combination
- ※BMS customizations supported
- ※IP67

12.8V 12Ah energy storage lithium battery pack Applications

- ※Energy storage system, control system, alarm system, power system, database
- ※Emergency lighting system, standby power supply, UPS
- ※Telecommunication equipment, communication equipment, fire protection system, security system, power station

12.8V 12Ah energy storage lithium battery pack Details

High quality lithium energy storage battery is offered by China manufacturer Olaite New Energy Co., Ltd. Buy lithium energy storage battery which is of high quality directly with low price.

Olaite New Energy Co., Ltd as the professional manufacturer, we would like to provide you high quality lithium energy storage battery. And we will offer you the best after-sale service and timely delivery. With years of experience in production lithium energy storage battery, Olaite New Energy Co., Ltd can supply a wide range of lithium energy storage battery. High quality lithium energy storage battery can meet many applications, if you need, please get our online timely service about lithium energy storage battery. In addition to the product list below, you can also customize your own unique lithium energy storage battery according to your specific needs.

Honest marketing

1. we are manufacturer with production experience for more than 10 years
2. We own ISO, CE, ROHS, FCC, ETL, PSE certificates
3. We accept OEM and ODM
4. Our salesman is with rich experience in foreign trade and efficient work efficiency
5. High-quality after-sales service to solve all your doubts

FAQ

Q: Are you a directly factory or trading company?

A: We are inverter manufacturer.

Q: How does your factory do regarding quality control?

Wenzhou Olaite New Energy Co., Ltd.

Address: Yueqing Economic Development Zone, Zhejiang Province

Tel: +86-15167879755

E-mail: olaite@cnolaite.com

www.cnolaite.com

A: Quality is the priority. We always attach great importance to quality controlling from the start to the end. All our products have gained CE, FCC, ROHS certification.

Q:What can you do?

A:1.All of our products have proceeded aging test before shipment and we guarantee safety while using our products.
2. OEM/ODM orders are warmly welcomed!

Q:Warranty and return:

A:1. Products have been tested by 48hours continuous load aging before ship out.wanrranty is 2 years
2. We own the best after-sale service team, if any problem happens, our team will do our best to solve it for you.

Q:Is sample available and free?

A:Sample is available, but the sample cost should be pay by you. The cost of sample will be refund after further order.

Q:Do you accept customized order?

A:Yes, we do.

Q:What's the delivery time?

A:It usually takes 7-20 days after confirming payment, but specific time should be based on the order quantity.
