

5.12KWH Off Grid Hybrid Lithium Battery Pack

Welcome to buy 5.12kwh Off Grid Hybrid Lithium Battery Pack from us. Every request from customers is being replied within 24 hours.

5.12kwh Off Grid Hybrid Lithium Battery Pack

Factory Directly 5.12kwh Off Grid Hybrid Lithium Battery Pack Made in China with Low Price. Olaite is 5.12kwh Off Grid Hybrid Lithium Battery Pack manufacturer and supplier in China.

5.12kwh Off Grid Hybrid Lithium Battery Pack Introduction

Model Number:	OPW-10051.2	Place of Origin:	Zhejiang, China
Brand Name:	Olaite	Battery Type:	LiFePO4
Capacity:	5.12kwh	Standard Voltage:	51.2V
Suggested DOD:	90%	Cycle:	6000 times
Product Size(cm):	65*48*19cm	OEM/ODM:	Acceptable

5.12kwh Off Grid Hybrid Lithium Battery Pack Parameter (Specification)

Model	OPW-100AH 48V/100AH 51.2V
Capacity	4.8KWH/5.12KWH
Normal Discharge Current	50A
Max Discharge Current	100A
Voltage	37.5-54.75/40-58.4VDC
Standard Voltage	48VDC/51.2VDC
Max Charging Current	100A
Max Charging Voltage	54.75/58.4V
Circle Times	6000 times
Size(mm)	650*480*190mm
Weight	49KG

Wenzhou Olaite New Energy Co., Ltd.

Address: Yueqing Economic Development Zone, Zhejiang Province

Tel: +86-15167879755

E-mail: olaite@cnolaite.com

Humidity	20-60%
Suggested DOD Model	90%
Warranty	10 Years
Communication	CAN/RS485/WIFI/4G/B-tooth communication
BMS	Yes

5.12kwh Off Grid Hybrid Lithium Battery Pack Feature

- ※High-quality battery core has longer service life, with 6000 cycles
- ※Easy to install and controllable at any time
- ※Intelligent BMS battery management system
- ※Thick shell, well protection for inside cells

4. 5.12kwh Off Grid Hybrid Lithium Battery Pack Applications

- ※Energy storage system, control system, alarm system, power system, database
- ※Emergency lighting system, standby power supply, UPS
- ※Telecommunication equipment, communication equipment, fire protection system, security system, power station

5. 5.12kwh Off Grid Hybrid Lithium Battery Pack Details

You can rest assured to buy customized Lithium Battery Pack from us. We look forward to cooperating with you, if you want to know more, you can consult us now, we will reply to you in time!

Lithium Battery Pack use long-life and environment-friendly lithium iron phosphate batteries, and are equipped with high-performance BMS to effectively manage the cells. Compared with traditional batteries, they have more extensive performance and application advantages. Use A+grade core, precision assembly, support customized BMS protection plate, use precision iron shell, and ensure the core capacity.

Olaite New Energy Co., Ltd is a leading China Lithium Battery Pack manufacturer, supplier and exporter. Adhering to the pursuit of perfect quality of products, so that our Lithium Battery Pack have been satisfied by many customers. Extreme design, quality raw materials, high performance and competitive price are what every customer wants, and that's also what we can offer you. Of course, also essential is our perfect after-sales service. If you are interested in our Lithium Battery Pack services, you can consult us now, we will reply to you in time!

Honest marketing

- 1. we are manufacturer with production experience for more than 10 years
- 2. We own ISO, CE, ROHS, FCC, ETL, PSE certificates
- 3. We accept OEM and ODM
- 4. Our salesman is with rich experience in foreign trade and efficient work efficiency
- 5. High-quality after-sales service to solve all your doubts

FAQ

Q: Are you a directly factory or trading company?

A: We are inverter manufacturer.

Q: How does your factory do regarding quality control?

Wenzhou Olaite New Energy Co., Ltd.

Address: Yueqing Economic Development Zone, Zhejiang Province

Tel: +86-15167879755

E-mail: olaite@cnolaite.com

www.cnolaite.com

A: Quality is the priority. We always attach great importance to quality controlling from the start to the end. All our products have gained CE, FCC, ROHS certification.

Q:What can you do?

A:1.All of our products have proceeded aging test before shipment and we guarantee safety while using our products.
2. OEM/ODM orders are warmly welcomed!

Q:Warranty and return:

A:1. Products have been tested by 48hours continuous load aging before ship out.wanrranty is 2 years
2. We own the best after-sale service team, if any problem happens, our team will do our best to solve it for you.

Q:Is sample available and free?

A:Sample is available, but the sample cost should be pay by you. The cost of sample will be refund after further order.

Q:Do you accept customized order?

A:Yes, we do.

Q:What's the delivery time?

A:It usually takes 7-20 days after confirming payment, but specific time should be based on the order quantity.
